HOUSTON AREA CONSORTIUM  
OF CAREER CENTERS

To Those States that Prohibit Travel to Texas:

The Houston Area Consortium of Career Centers (HACCC) is hosting its annual Texas Job Fair, April 2, 2019, at the beautiful Rice University in Houston, TX. HACCC is a unique career development association, which sponsors its Texas Job Fair and Annual Drive-In Conference to global attendees and offers continuing education opportunities. The mission of HACCC is to promote and serve our students and alumni through collaboration, professional development, engagement of employers, and education. It is also an association which advocates for all people and their unique career development needs. HACCC endorses the following non-discrimination policy:

*HACCC opposes discrimination against any individual based on age, culture, disability, ethnicity, race, religion/spirituality, creed, gender, gender identity and expression, sexual orientation, marital/partnership status, language preference, socioeconomic status, or any other personal characteristic not specifically relevant to job performance.*

HACCC also endorses the National Association of Career Development's (NACE) position statement on Diversity and Anti-Discrimination as well:

*NACE holds firmly that governments at all levels (federal, state, and local) should enact legislation that is supportive of individual rights and protects individuals whatever their gender, ethnicity, religious belief, or sexual orientation/identification. By contrast, NACE stands in opposition to legislation that stigmatizes one group of citizens by denying them the same protections as are afforded to the rest of the population.*

We welcome your state participants at the 2019 Texas Job Fair in Houston, TX. We hope you will consider approving their attendance so we can continue to advocate for all citizens to inspire careers and empower lives.
