about our institution

University
of Houston
Clear Lake

An academic and community resource for more than a quarter of a century, University of Houston–Clear Lake specializes in upper-level undergraduate and graduate degree programs to meet the higher education needs of the Houston-Galveston area, communities along the upper Gulf Coast of Texas, and beyond. UH–Clear Lake is a dynamic learning community offering a vast array of programs, opportunities, and services geared toward helping individuals and families achieve their educational, professional, and personal goals.

Extensive class offerings and programs attract more than 8,000 students to UHCL each year, with nearly half of those students enrolled in graduate study. Since opening its doors in 1974, the university has awarded more than 52,000 degrees to a diverse student population from the state, the nation, and abroad. A satellite campus, located in Pearland, opened in fall 2010. UHCL graduates pursue a broad range of opportunities including careers as astronauts, artists, authors, educators, and business leaders.

academic programs

The schools of Business, Education, Human Sciences and Humanities, and Science and Computer Engineering offer bachelor's degrees in more than 40 fields of study and master's degrees in more than 46 fields of study. The School of Education also offers the University's only doctoral program.

career services

Located in Suite 3.109 of the Student Services and Classroom Building, the office of Career Services offers help and support to employers in connecting with UHCL's diverse and intelligent student and alumni population.

Job Listings – Post vacant positions, including professional and non-professional, full-time, part-time and/or temporary positions, without charge on Jobs4Hawks, our online database exclusively for UHCL students and alumni. To post a position on Jobs4Hawks, visit:
